

Fun Stampers Journey Compensation Plan

The Fun Stampers Journey Compensation Plan is a generous offering of ways Journey Coaches can earn income.

- As a Journey Coach, keep 20 percent of the personal net sales you earn through parties and customer sales! You also receive this same discount on all of your personal purchases.
- As a new coach, you can earn an extra 10 percent instant income on your first order of \$150 or more when you place your order in the first 45 days of being a Journey Coach. That means you'll earn up to 30 percent!
- You can earn additional income, called volume payouts, when your monthly net sales total \$350 or more. Together, your instant income and volume payout can reach up to 40 percent of your personal sales per month!
- Keep your personal monthly sales at \$250 or more AND recruit other Journey Coaches, and you'll be eligible to earn commission on your recruits' sales! You'll earn even higher commission as you achieve higher titles and as your sales increase.
- You can also earn cash bonuses, product bonuses, incentive trips, and other awards as you achieve success through our awards and recognition program.
